

# SHURAM LOGISTICS

OPERATIONAL SINCE 2001

A white semi-truck is shown from a low-angle, side-rear perspective, driving on a multi-lane highway. The sun is low on the horizon, creating a bright, golden glow and long shadows. The sky is filled with scattered clouds, some of which are illuminated by the setting sun. In the background, a series of power line towers stretch across the horizon. The overall scene conveys a sense of motion and reliability.
